You will be notified of the outcome for your application by receiving a system generated email with a outcome letter issues to you.

Should a candidate be approved for Challenge status examination, the candidate may then go to the Events section menu and register for the relevant PCE exam as indicated on the letter issued. Should a candidate not meet this criteria upon outcome he/she will have to complete the relevant Recognized qualification first and then only be able to attempt the CFP PCE examination or a candidate may opt to apply for another membership designation.
